

Taxation

Understanding how taxation impacts on businesses and individuals gives us an ability to help structure tax profiles that meet regulatory requirements and allow clients to structure their affairs in the most efficient way possible.

Our tax services include:

- Calculation of individual, partnership, & company tax liabilities and completion of self assessment tax returns
- Advice on setting up the most [tax efficient structures](#)
- Regular reviews of corporate & personal income to ensure tax planning opportunities are taken as appropriate
- Review of business transactions to minimise exposure to "high risk" areas such as IR35, and the use of subcontractors or self employed assistants
- Advice on transfer pricing and other cross border transactions
- Advice on the purchase of capital equipment and capital allowance claims
- Tax efficient [property ownership](#)
- Agreement of business and goodwill valuations with HMRC
- Advice on business acquisitions, mergers, de-mergers, and partnership changes
- Payroll operation and completion of annual PAYE returns
- Advice on relevant and tax efficient remuneration & incentive strategies
- Tax efficient [investments and pension](#) contributions
- Retirement planning
- Inheritance tax planning & will reviews
- Advice on minimising exposure to HMRC enquiries and provision of a fee protection service
- Assistance with HMRC investigations and enquiries, including full liaison with HMRC
- Advice on the complex issues of [VAT](#)
- Advice to [international businesses](#) looking to trade from the UK
